P.S. Have fun in Spanish next year. "V."

Ding if you have a birthday party be sure to have some strong drink! (Eh!) Have you realized that you are the oldest one of our gang. We but will do you anyway (wink) by having your friends sign your last few lines. And you better not shirk us on when you see us down the hall just because you got histrionic. This is all for now. Keep up the good by a friend. Alicia B.

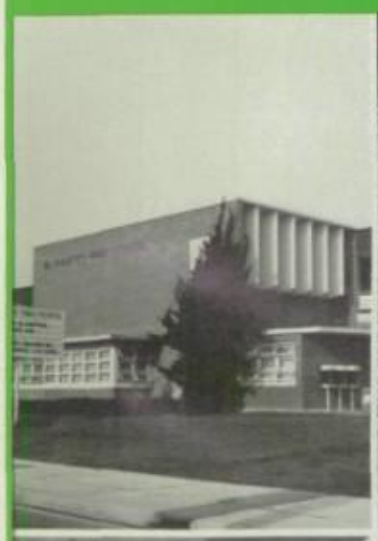
room to stop. Another

WHO are we? On any Friday night during football season, we can be heard shouting, "We are ER!" We are The Dons--and with that goes a pride and spirit unique in schools across the land. We are timid sophomores, unsure of our ground and just beginning a three-year stay at "The Ranch"; confident juniors, already established, having our own traditions, blazing our own way; we are mighty seniors, at the end of an era, taking our places in the world as contributing adults; we are all these and more. We are the leaders of tomorrow, learning our skills here so that we may be better prepared to accept leadership in a rapidly changing world; we are the hope of the future, the dreamers of dreams, the builders of a better place for all of us. We are new and untried, eager and willing to assume the burden of responsibility. We are students, but teachers and administrators, too. We are educators, hoping to light small candles in the darkness of ignorance; hoping to reap the result of a better world from seeds of learning we have sown; receiving out rewards in the gaze of comprehension from student's eyes. We are spirit, enthusiasm; heart of "The Ranch": We are The Dons!!

WHAT and WHEN are key questions here at El Rancho, where things are always happening! We all share a common bond in enjoying the activities and events and the sense of belonging we get from rallying together for a common goal. Our pride swells as we watch a great football team in action; as we hold our breath during a crucial basketball contest; thrill to the excitement and color of Homecoming; or put our heads together to come up with a fantistic idea for trash can decorating or a design for the class float. Here at "The Ranch" there is something for everyone! Sport enthusiasts can cheer their hearts out for ten major sports; math whizzes, guitar pickers, or future educators can find an organization formed just for their interests and there are dozens of others just waiting for students to find them and start the ball rolling toward that "Club of the Year" goal. There are hundreds of girls working as one to make Coed Capers a fabulous success; thespians who give their all to ER's theatrical achievements; and Pepsters and Drill Teamers to show us what pep and enthusiasm and school spirit are all about! What's happening? When? It's here upon the pages of our book!



WHERE does all the action take place? Where do the Dons leave their hearts after their three-year membership at El Rancho? Is it just a building--a structure of steel,concrete and bricks--that we call "school"? Or is it more of a feeling of special pride, of achievement, a preparation for a new day? El Rancho is unique; full of traditions of yesterday and innovations of tomorrow; protecting the valuable old, ready to create the new!

WHY is there someone we honor each year with a dedication? How else can we show our gratitude for excellence, sing our praises for outstanding performance above and beyond the call of duty? Each year our book is a tribute to greatness, to one shining example among us who makes us proud of our association with him.

HOW in the world does all this come about? How is it possible to capture a year of our lives between the pages of a book, so that in the years to come we can take it out to relive and treasure our days at "The Ranch"? Asmall group of eager and dedicated staff members work for you all year--making layouts, selling ads, collecting money, taking pictures--so that at year's end we can present *Por El Ano;* our gift to all of you with love.

Hi Marcella,
A nice girl to get to know this year. May be one of these days I'll be my cousin-in-law now maybe. I'm love you are with him. I hope I see you in my shorthand class next year. So then we can sit there and talk about the teacher and smoke our joints. Naturally, I hope I have you in some of my classes next year. Have fun during the summer and don't do anything I wouldn't do

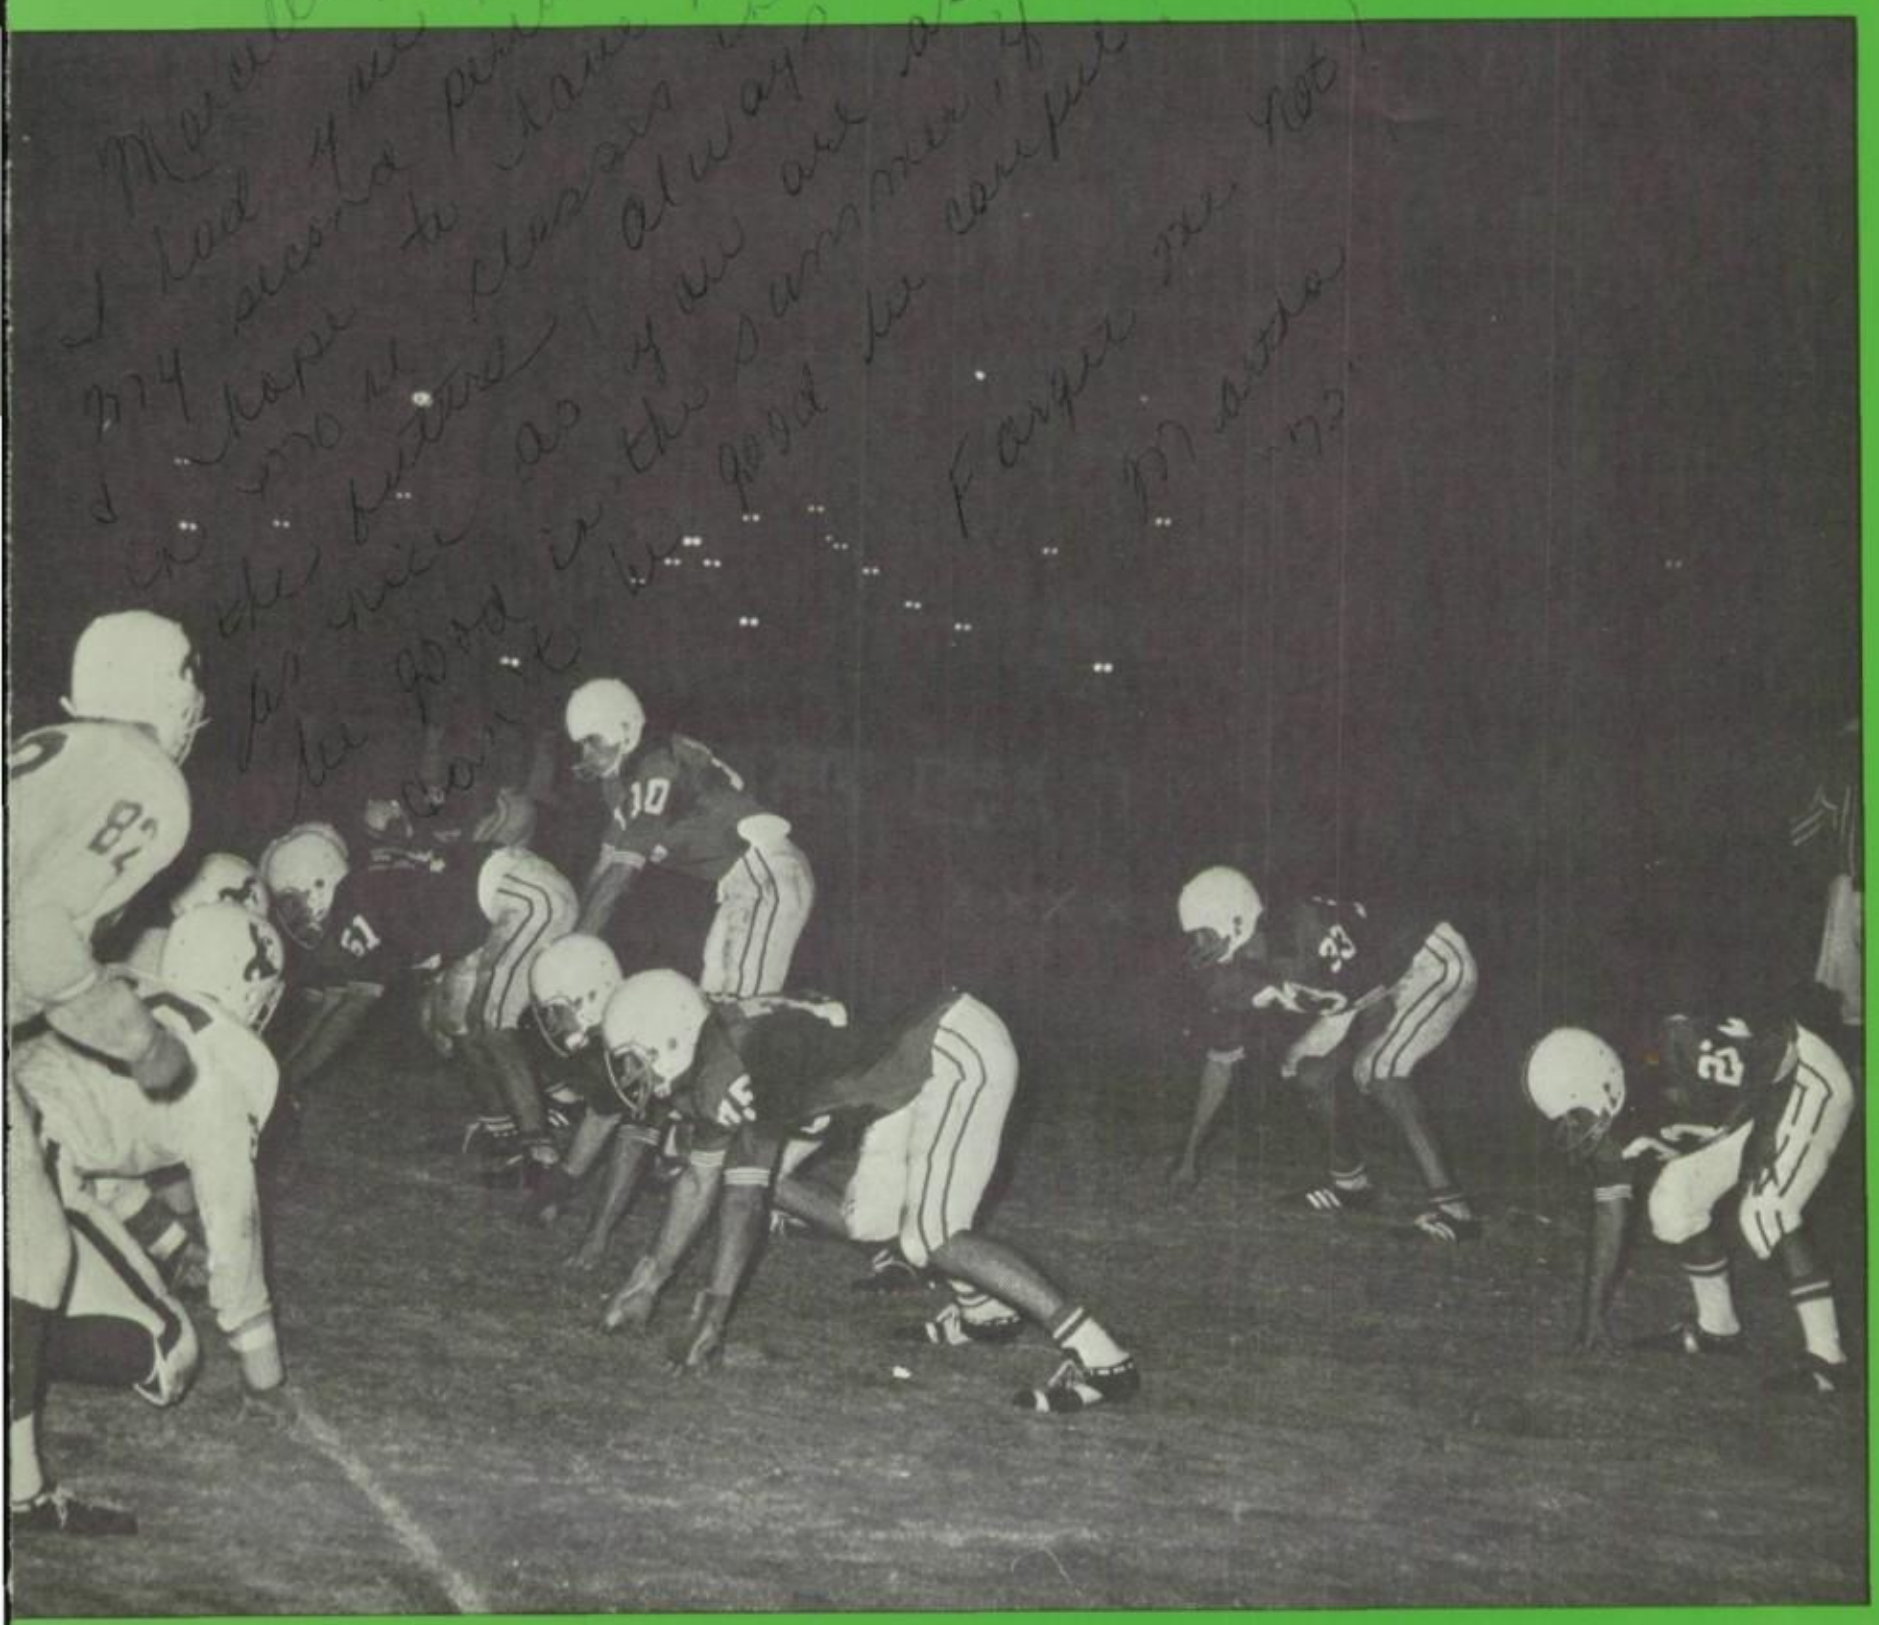
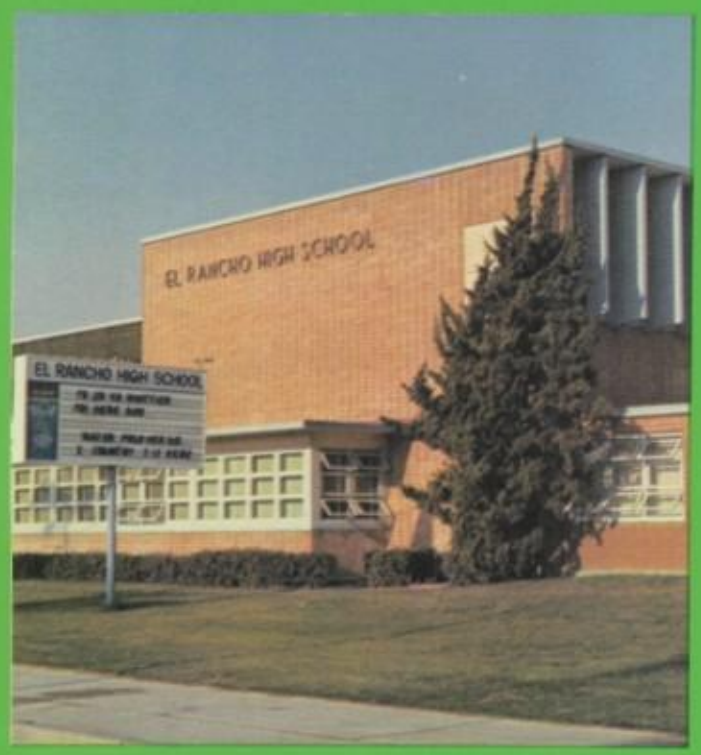
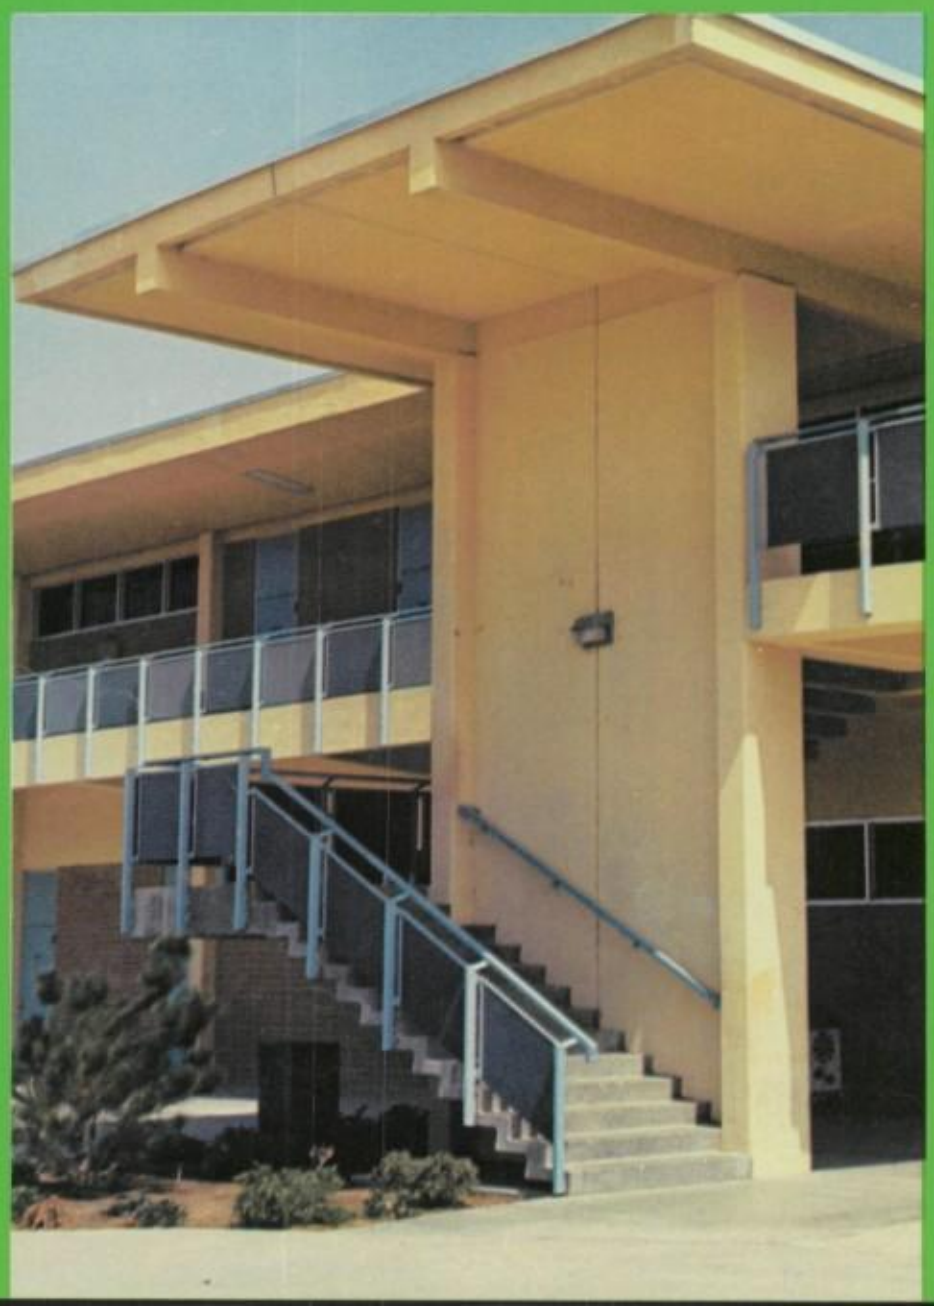
WHAT WHEN



WHERE





Each year POR EL ANO is dedicated to a person who typifies the epitome of his profession, who makes a beautiful word of "teacher", "administrator", "counselor" or "coach"; whose life has become something of a beacon for students to steer by; and whose friendship and rapport with students make him stand head and shoulders above the crowd. This year we are pleased and proud to be able to dedicate our book to a man whose service to El Rancho and its students knows no bounds; whose ceaseless energy on behalf of his students is a special kind of caring; and whose life is filled with returning former students paying tribute to his teaching methods and his sound guidance. A man of the South--even to being the son of an Honorary Kentucky Colonel--our man of distinction this year was born in London, Kentucky and attended elementary and high school in Oakridge, Tennessee. He went on to Purdue, where he received his B.S. in Chemical Engineering in 1958. Massachusetts Institute of Technology awarded him his M.S. in Nuclear Engineering in 1960. He then decided to go into the teaching profession and came to California and El Rancho in 1963--both to teach and because "I got tired of being cold back east!" A member of such engineering societies as Tau Beta Pi, Omega Chi Epsilon, and Phi Eta Sigma, he also belongs to professional groups such as A.N.S. and A.I.Ch.E. His father--the Kentucky Colonel, of course--was an expert on Civil War history, but our man of honor took up a different set of hobbies. A banjo lover, he is also an avid bridge player and holds a regular seat in the Faculty Lounge where spare moments are spent rounding up three other companions for a spirited foursome. He loves to travel and has been to Europe and, just last summer, to Hawaii, accompanied by--of course--a former student. Coming from a closely-knit family, he enjoys a warm and enjoyable relationship with his two sisters and their families. One sister, Poagie, lives in Connecticut. Another sister, Phillip Cater, lives here in Pico Rivera, and two of her sons, Doug and Jeff, attend El Rancho High School while the other two, Tim and Andy, attend Rio Hondo College and South Ranchito School respectively. A master of his subject, the recipient of this year's dedication became Chairman of El Rancho's Math Department in 1968. His long hours before school, during lunch, and after school--helping and counseling his students--have brought him the undying respect of all who have worked with him. Many students who have needed help in preparing for college entrance exams or in applying for scholarships have found him eager and willing to lend a hand, and many whose college careers have shown real success are enthusiastic in giving him credit for his efforts. His home is always open to students and alumni who need his friendship, his advice or guidance. He has brought a new level of excellence to his profession--educator, advisor, companion and friend to all who know and love him, it is with great pleasure that we dedicate our POR EL ANO to a man whose life has been a singular credit to teaching and to El Rancho; a man of unique quality and humility.....GORDON EVERSOLE.

The Class of - 1971

The "Class of '71" , seniors at the Ranch, may have astounded many in the past as they moved straight, and quickly to their goal of "Class of the Year 1970-71".

As Sophomores and Juniors, the class showed very little spirit and pride as an entirety. A short time ago '71' was just a number and meant very little to the members of the cl. ss. From just a few dedicated students the class found its way to unity. Because El Rancho is something to be proud of it has found its way on to the straight and narrow path of success; a path where there is only room for the best and at the Ranch the super "Class of '71" is the best.

In the past one and one half years the class was rightfully labeled "a nothing", but an amazing out-of-sight pride came upon the class.

This year, 1970-71, has marked the turning point in many senior's lives, as they now make their move to better the society they live in, for truly it needs it.

Under the leadership of a fine cabinet, and Miss Carolyn Daugherty and Miss Julie Ellis, in advisory positions, the class has been a strong competitor in all events and a willing aid to the community.

It is with great regret that the Senior Class of '70, leaves its high school home, the Ranch, this year. But we leave with fond memories and a deep earnest pride lodged in our hearts. The class leaves hoping that in some small way they will always be a part of the Ranch.

It is very fitting for every senior class to thank its school, so we would like to send a special thank-you to El Rancho, the Administrators, the Faculty, and our fellow classes for making the past three years here the most memorable of our lives.

If such a fine class, as the "Class of '71", could be summed up in just a few words they would really love to be "The Best", for rightfully, that is what we are.

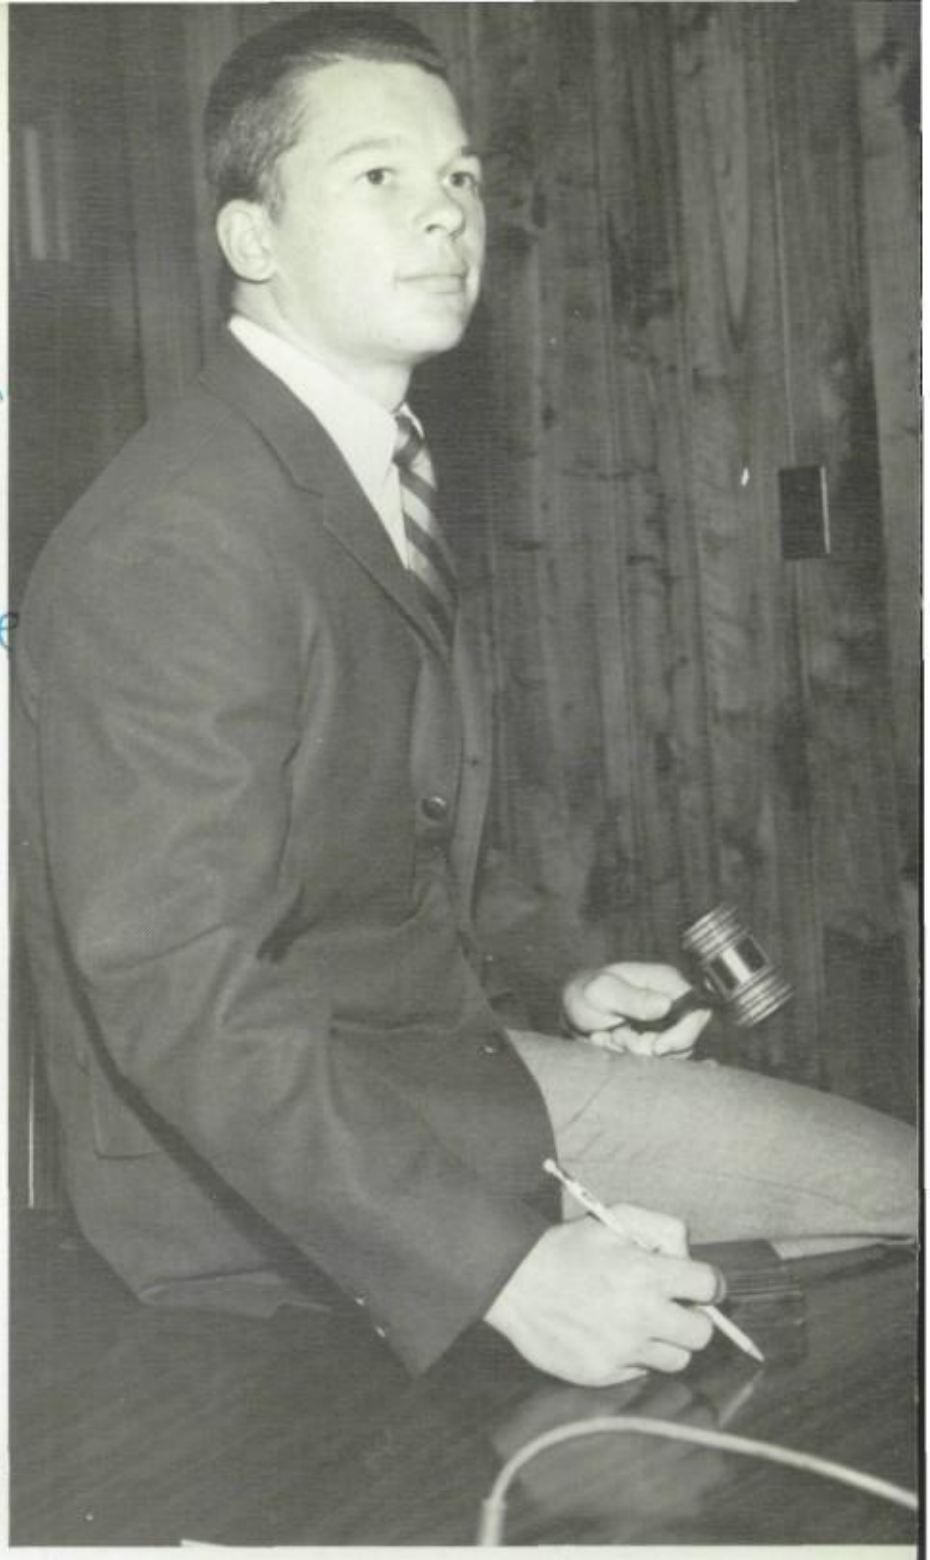
marcella:
well ol' buddy, it's the end of the yeard (thank goodness?) and I'm writing in your annual (again?) I only wish we could've had a class together. (I've sore got alot of memories from our 10th grade P.E. class with Miss Banks

Although somewhat ignored by the upperclassmen in the traditional manner, this year's Junior class has been very enthusiastic in class competition and has strove to become one of the best classes ever at El Rancho High.

Initiative and self-discipline to co-operate in all of the school activities are the outstanding features of the Class of '72. This is obviously apparent in the class response to the annual trash can painting and design competition, Pep Rallies, and all other campus activities. Our ambition is not surpassed by any other class at El Rancho.

In conclusion, the Juniors have had a very successful year. We have been recognized as having many new and effervescent ideas. The fact that we are well represented in department and academic standings, show that our senior year at El Rancho will be a challenging as well as a prosperous one.

Chuck Collings
Junior Class President



PRESIDENT - CHUCK COLLINGS

(or Banet Jauks as Shirley and I call her?) Remember the old days in tennis? who could forget fool (oops) folk dancing? (Fred Astaire, here?) Oh, I hope we can have a class together next year. I really miss the old days. (Go to page 98)

The Class of — 1973

It has been a great honor being Sophomore President, but what differentiates one Sophomore Class from another is the people—the 1200 students who make up the Class of '73.

We came to El Rancho as a group who were not satisfied only to participate in school activities. We wanted to shape them, to mold them into something better, more profitable, and equal to all.

We are a group of individuals, fed by educations, with the intent to find not only a place in society, but a fulfillment within ourselves.

If our success, or failure as a class and as individuals, is measured by our intentions and enthusiasm—we've won, and have set a trend for the years to come.

DR. DONALD BURGET

Four years ago, a new face had taken its place among El Rancho's Administrative Staff. Deciding to give up his job as Assistant Principal of Guidance, Dr. Donald Burget took on the main role of our principal, and has succeeded in his job for the past three years.

With his B.S. and M.S. degrees, Dr. Burget taught grades seventh through twelfth in midwest Oklahoma. The courses included Physiology, First Aid, Psychology, U.S. History, and Geometry. In Oklahoma, Dr. Burget was an Administrative Intern at the district office, and was able to gain experience as an administrator. In 1965, Dr. Burget received his Doctorate of Education from Oklahoma University, while counseling at La Habra High School. Finding an open position at Buena Park High School, this man went on to be the Dean of Students in 1966.

We, El Rancho High School, opened our doors to him in 1967 and Dr. Burget was accepted as Assistant Principal of Guidance.

Moving to La Habra from Midwest Oklahoma, Dr. Burget and his wife, Billie, have resided there since 1964. This man has been active in the functions of Phi Delta Kappa Fraternity and has also been very active in the Dons Booster Club. He also belongs to the teachers' organizations of E.R.E.A., N.E.A., C.T.A., and C.A.S.S.A.

As a teacher, Dr. Burget has taught courses of instruction at Pepperdine College, and has also been a coach for sports while in Oklahoma. In his younger years, he was a four-year football letterman and also lettered in basketball and track.

Now, in 1970-71, Dr. Donald Burget has been accepted in every way as our principal. Along with all the other administrators, Dr. Burget cares greatly for our school. He cares for El Rancho's present state and worries about its future. Hopefully, this school will be able to carry on all the pride that has grown over the years, and Dr. Burget will be here to share it with the next generation of learning students.

Quality in all, and willingness to help, are the definitions for our administrators. Each one of these people have a vast knowledge in the schools activities and are aware of the many different instances which occur day in and day out. With our excellent staff, students are able to relate opinions and offer solutions to some of the problems in the school.

Taking care of all financial and activity orientated events, is the job of the Assistant Principal of Business and Activities. This man performs many tedious duties. Also he is the advisor for Executive Commission and maintains all student body activities and helps the students in every way.

The Vice Principal in charge of Curriculum takes care of the demanding jobs of deciding the types of classes to fit the needs of each and every student.

Taking care of Guidance, the Vice Principal regards all matters separately. Her area covers all testing programs, and also handles expulsion cases.

The Dean of Students is a man who is able to communicate with the student in a way, that the student, in most cases, is able to feel comfortable with him. Very few are gifted with the ability to speak so well, and this man is one who does have it.

The Director of Atheletics is the coordinator of all atheletic events that occur throughout the school year and is the representative at the league meeting and budgets all team expenses.

Counselors

Day in and day out, the smaller offices in the Guidance Office have been occupied by many of the students here at El Rancho. The counselors have quite a job for themselves. Their business is to talk over the problems with the students, and their main goal is to solve the problems. They help the student with college information and try to help them gain a scholarship if, and when the ability is great.

If there are problems in a classroom, they are there to try to straighten them out. Or if it is just a question, it is usually answered in the best way possible.

These people play a very important role at the Ranch, and they are involved with the welfare of the school and its student body, both academically and care for each one student personally.

With U. S. History as their guide in their junior year, he is able to understand the country he lives in and to be proud of it.

As a senior, the choice is varied. Problems of Democracy, Minority Cultures, Humanities for seniors and juniors, U.S. Government and the course of Phychology.

In some of the social studies classes, it is a place for the student to become involved. This gives the student a broader understanding in his life and in the world he lives in today.

Mathematics

To further logical reasoning and thinking in many other fields, this department of Mathematics has to offer many different types of mathematical courses.

The courses offered are Calculus, Geometry, Analytical Geometry, Trigonometry, Algebra 1 and 2, and Math Review.

With the advancement of technology and the coming of the computer age there must be trained mathematicians on the job. Here, at El Rancho, we are proud to say that we have begun to develope these skills.

Changes are always being made for the Math Department. In the future, the demand for new courses will be made and the knowledge of math will go on to better itself as each year passes.

Foreign Language

Miss Pulido helps Jerry Monson with the class assignment.

As the world gets smaller because of faster communication and transportation there is a need for the use of a second language... maybe even a third. The need for oral communications throughout the world is high.

Here at El Rancho, the instructors feel it necessary to teach the student the importance of speaking and understanding the language. With the help of tape recordings, records, drills and tests, it is easier to be sure of accurate pronunciation and grammer. As the student becomes assured of his ability, he is then able to pick up and learn the mechanics of reading and writing this new language. The main emphasis is fluency and expanding of the vocabulary. The languages offered are Spanish 1,2,3,4, and French 1,2,3,4, and also German 1,2,3,4.

With the help of audio visual material, the student is able to learn of their cultures and attitudes of these other people. With this help and constant use of the language, the student is able to understand and even be taught to develop an attitude of tolerance and endurance toward the people of the many different countries.

In 18 courses the English teachers unite in the war against cruelty to our language. Among these courses is the Writing Lab Program. This program, was introduced during the 1968-1969 school year. It offers the use of IBM recording machines called Executaries.

The Writing Lab stresses basic English, composition, speech skills and listening effectiveness and its success has spread to other departments as students increase their comprehension and abilities.

Other classes which stress basic English, composition, and speech skills are Fundamentals of Speech and Debate, Poetry and Short Story, Developmental Reading I and II, Composition I, and II, Novel, Mass Media, and Basic English.

Boys' Physical Education

With complete physical fitness its aim, the Boys' Physical Education Department offers a variety of individual and team sports. These sports include handball, softball, football, volleyball, basketball, swimming, tennis, and track.

Physical fitness tests, which are required by the State of California, are given annually to El Rancho boys. The purpose of these tests are to evaluate the Boy's Physical Education program.

Another aspect of physical education is the fun of "playing the game". Boys also participate in extra-curricular activities such as the football, basketball, track, water polo, tennis, gymnastics, baseball, wrestling, and golf teams.

The goal of the Girl's Physical Education Department is to build strong bodies "twelve ways". This goal is brought to a realization through such sports as; recreational games, swimming, hockey, volleyball, tennis, speedball, folk dancing, softball, basketball, archery, and modern dancing.

To evaluate the Girl's Physical Education program, physical fitness tests, which satisfy state requirements, are given to the girls once a year. These tests show the relationship of the girls of El Rancho to girls throughout the nation.

With the help of fine teachers, El Rancho girls can participate in extra-curricular activities. Among those are: Drill Team, Pepsters, G.A.A., Girl's League, and Modern Dance.

The Health Education, Family Life, and Driver's Education programs meet the California state requirements.

With only six courses offered, the Home Economics Department specializes in the teaching of skills which can result in future careers.

The goal of the Fine Arts Department is to broaden the creativity of the students. In doing this, the three main areas are Creative Arts, the study of drawing, painting, commercial arts, art crafts, ceramics, and art appreciation, Performing Arts, the study of vocal and instrumental music, and Drama, the development of poise and appreciation for the theatre.

Business Education

The Business Department's goal is to develop skills in El Rancho students, which will enable them to take their place in the complex world of business. To fulfill this goal, specially designed courses are offered. These courses are: business law, shorthand I and II, beginning, intermediate, and advanced typing, machine transcription, record keeping, business English, secretarial practice, office training, merchandising, office machines, data processing, bookkeeping, and sales.

To help students increase their knowledge of available careers and necessary education, the Future Business Leaders of America Club, the Future Secretaries Club and the Christmas sales class provide a variety of effective activities.

Science

Man's environmental relationships are explored by science. Many advances in the world of science has kept El Rancho's Science Department on their toes. The areas that are explored in the scientific world include chemistry, biology, advanced biology and physics. And with the latest equipment students are taught the way to use them. Students who are interested in this ever-changing local and national competitions are always welcomed. The department provides them with the tools necessary to compete with the ever-changing and always improving programs.

Industrial Education

Broadening the students general education by exploring Industrial Work, is the purpose behind the preparation for the Industrial Arts program. In today's mechanized world, the area of Industrail Arts serves a definite need and El Rancho students are being offered the best in classes and teachers. Occupational Training range from construction engineers, carpenters, plumbers and electricians of the future. They work together on the student built house project each year. Boys also are taught to work on automobiles. Highly specialized classes in wookshop, and metal shop present modern equipment and skilled instruction for interested students. Modern equipment and modernization of department in order to keep up with the needs of nearly 975 students who take these courses each year. By offering these courses students can learn what they are most capable and interested in doing.

Special Education

El Rancho is one of the few high schools offering Special Education in many areas. Offering counseling for those students interested in finding part-time jobs is Work Experience. Enrollees must be between 16 and 21 years of age and enrolled in full-time school or continuation school. Jobs offered to students range from clerical to custodial and maintenance. Holding a position of employment teaches the students responsibility and is greatly appreciated by them. El Rancho is very lucky to have the opportunity to offer the students jobs.

Fairly new to our campus is the Marine R.O. T.C. The general mission of this program is to develop informed citizens, to strengthen character by teaching discipline, to insure understanding of military service responsibility of every citizen and to promote appreciation of motivation for careers in the United States Marine Corp. The complete training program includes three separate courses, one each per academic year. The Marine R.O.T.C. program continues to strengthen and condition our boys into men. El Panchos Special Education Program like other departments has and is continuing to grow. In cooperation with surrounding school districts and the Whittier Area Cooperative Special Education Program, El Rancho High School provides an educational program for high school students who need special, particularized help, both academically and physically. Students assigned to this program may attend regular classes in other subject areas and in addition, have the assistance of specially trained teachers and resource rooms on the campus. There are three different kinds of special classes offering many different types of services for the unenlightened student with varying needs and many goals.

Efficient Workers

Secretaries are essential to keep the high school's numerous functions operating efficiently. El Rancho is very fortunate to have as many qualified women to perform these necessary needs. There are many departments where the secretaries work, areas ranging from the Principal's office to the librarian's secretary. All the jobs the secretaries do are very important and El Rancho wouldn't be the same if we didn't have these very qualified women.

Mr. George Skyles, the school librarian, is ready to help any student or faculty member in finding a book for enjoyment, research, or to demonstrate the use of the new microfilm. Mr. Skyles, maintains an efficiently run and comprehensive library for the benefit of all students and faculty members.

Mr. Joe Baca is in charge of the book store. If a student loses a book or wants to check one out they should go to the bookstore and someone will always be there to help.

The School Board District Cabinet Faculty Club Officers and School Nurse

Mrs. Marian Farrell, the school nurse, is kept busy throughout the day. She offers advice to anyone in need whenever possible and keeps records of all student's health, during the year.

Fund raising projects keep El Rancho's faculty club busy throughout the year. They plan fund raising events and work to improve the effectiveness of the educational program at El Rancho. At the end of the year, money that has been raised from the different events, goes toward scholarships that are offered to well-deserving seniors.

Members of the Board of Education are elected by the citizens of Pico Rivera. These people contribute many of their hours to discuss those problems involving the District. The Board establishes policies and governs the educational system for the district.

Carrying out the policies established by the Board is the District Cabinet. Their responsibilities include finding the most qualified teachers in the state for the El Rancho district.

David Workman - ASB PRESIDENT

A. S. B. Officers

As Associated Student Body president of our school, Dave Workman presides over all the meetings of the Executive commission. He can also call together the Student Congress any time with the consent of the advisor.

Alma Martinez, ASB vice-president presides over the Senate and the Elections committee, and at any combined meeting of both the House and the Senate committees. ASB secretary, Teri Lee, is responsible for all correspondence of the commission and takes notes at the meetings.

It is through these officers' hard work and dedication that the commission is able to function smoothly so thereby giving El Rancho's students a better government.

Executive Commission

Executive Commission is made up of fifteen people representing assorted clubs and commissions here at "The Ranch". The duties of Executive Commission are to fullfill all the plans and projects of our school. Assemblies Commissioner, Espy Zendejas, plans all assemblies and programs. The Girls' League President, Regina Ghenna, presides over all Girls' League meetings and plans activities such as the Girls' League Dance, Coed Capers, and Cotton Day. The Commissioner of Academic Affairs, Laura Rodriguez, co-ordinates all programs of academic nature, such as the annual College Night. Valerie Castro, the Finance Commissioner, sells tickets at sports games, and collects money at the money making events. The G.A.A. President, Paula Paiva, plans the activities and awards for G.A.A. The Chief Justice, Raul Aguilar, administers the oath of office to the president. He also presides over the student court. The Boys' Athletics Commissioner, Eddie Ybarra, promotes athletics within the school. He also sponsors two assemblies during the year. Another member of the executive commission is Larry Potosky. Larry, who holds the office of Speaker of the House, presides over house and joint meetings.

Executive Commission also includes the Annual Staff Editors. This year, Lorraine Nares and Kathryn Fetty are co-editors. Besides doing their own sections, they help anyone else who needs them and make sure the annual gets done when the deadlines creep up. Lenny Swierski, as the Newstaff Editor makes sure the El Rodeo newspaper gets published each week. Pep Commissioner, Nancy Ortiz, is in charge of the pepsters, the pep rallies, and the Pep Commission meetings. Together with the Activities Commissioner, Elaine Phillips, she helps to plan for Homecoming and the activities for the Basketball Belle. Elaine plans the dances, the concerts, and the spring activity. At the end of the year, she takes care of the alumni tea and the installation tea. Paula Matheson, as Publicity Commissioner is in charge of all signs. If any of the other Commissions or clubs want something publicized, Paula helps out. She sees that the signboard in front of El Rancho is always up to date and she sends out the postcards to the alumni for Homecoming. Welfare Commissioner, Robin Lee, is responsible for the beneficial drives at our school. This includes the Trash Can Painting, Canned Food Drive, Toys For Tots, and March of Dimes. She takes care of any events that associate with the welfare of our school, and promotes a clean campus.

The Senate and the House of Representatives gives the students of El Rancho an opportunity to take part in the affairs of school. The Senate is composed of a representative from each chartered organization on campus and the class presidents. Alma Martinez, as ASB Vice-President, presides over all Senate meetings. The Senate passes bills and authorizes charters for any new clubs.

The House of Representatives is made up of a representative from each second period class. Larry Potosky is Speaker of the House. He presides over all the House meetings. When a bill is brought up, the House looks into it, decides whether the student body will benefit from it, and then they pass or veto it, accordingly. After each of the House of Senate meetings, each representative reports back to his class, or club, and informs them of any business discussed. He tells them what bills were proposed, and if they were passed. Both the House of Representatives and the Senate play an important part in the student government of our school.

The Student Court, made up of Boys' and Girls' Council, is composed of fifteen members each. Their main purpose is to help maintain high student morals at El Rancho and to set high standards of citizenship, dress, and behavior. Both councils usher at campus events, while Boys' Council is also in charge of the morning flag ceremony. The councils are chosen in spring, when interested sophomores and juniors sign up in the Activities Office. These persons are interviewed by former council members, who choose the councils for the following year. Miss Mildred Pulido and Mr. Al Balen are advisers to the councils.

Each year outstanding boys and girls are nominated by their teachers, to participate in Boys' and Girls' State. One girl and two boys are chosen to attend the summer program. Emi Kawasaki will go to the University of San Diego, sponsored by the Women's Auxiliary of the American Legion, Durfee Post 341. Raul Aguilar and Jim Horton will go to the State Fairgrounds at Sacramento, sponsored by the American Legion, Durfee Post 341 and Rivera Post 411 respectively. There they will study government, set up and have elections, and carry out laws for their "mock" government. The boys will go on to visit the State Capitol and to meet the senators.

Youth in Government

The students who participated in Youth in Government had a chance to learn the functions and problems of Pico Rivera, by experiencing their government on a first-hand basis. In the annual city activity, the students take over various positions in City Hall for a day. Any person wishing to take part fills out an application. From these people, the senior class elects the mayor and councilmen. These people, in turn, appoint the remainder of the city officials.

Among the resolutions brought up, was a request that the sale of non-refundable bottles and cans be banned within the city limits, in an attempt to prevent pollution and to help beautify our city. Other resolutions were for a youth center, a youth advisement agency, a signal light across Passons, and the eighteen-year-old vote in local elections. To complete the day, City Hall honored those in Youth in Government with a banquet.

Day of Memories

Homecoming at El Rancho is an honored tradition—made up of many activities. From float building, to assembly, to Alumni tea, to the annual football game which honors our selected queen-all Homecoming activities bring much excitement to the Don campus.

Queen Nancy Ortiz reigned this year over the festivities which brought a football triumph for our team, applause for the winning senior float, and many old friends together for the after-game dance.

El Rancho Donnettes are a very special group. Winning top prizes is old stuff to them, as year after year they walk away from parades and competitions carrying trophies and ribbons for excellence and outstanding performances. "Smile". "Keep your lines straight", and "Pick up your feet" are their bywords as they make the art of looking sharp an easy job. Equipped with colorful pom-poms and other clever aids, their half-time routines have become famous in Southern California.

The Concert Band is the largest of all El Rancho's bands with many people playing in each section. The band has played many times for the enjoyment of the students. They have spent many classroom and after school hours perfecting their music.

The most popular and well-known band on the El Rancho Campus is the Stage Band. It consists of the most skilled musicians in each area. This group has entered many musical competitions as well as playing at many E.R. social functions.

El Rancho's choral department has received great acclaim throughout the community—and deservedly so!

Made up of three groups—the Girls Glee, the Concert Choir, and the Choraleers—this department successfully combines musical education with fine entertainment for all.

Girls Glee teaches the basic aspects of group singing; the Concert Choir, made up of more than one hundred fine voices, are popular as entertainers and were again asked to participate in the Disneyland Christmas program; the Choraleers are the select group of top talents bringing us the highest quality in listening pleasure.

The characters of El Rancho's fall play, "Spoon River Anthology," were portrayed by our best drama students.

Fall Play

For the fall play, the Drama Department, under the direction of Mr. Squire Fridell, presented "Spoon River Anthology," written by Edgar Lee Masters. The cast of Alma Martinez, Morgan Ruddick, Nancy Stearns, Glen Steorts, Tom Wick and David Workman portrayed the lives of the people that lived in the small town of Spoon River, Illinois.

Among the varied characters the actors portrayed were the town drunkard, a restless widow, a misunderstood politician, a man who never followed his dreams to reality, a confused soldier, a bitter, aging man and a peaceful old lady who gently chides those who find emptiness and loneliness in a world she has found beauty and love in.

Although these life stories are of another time and another place, and spoken of by different faces, it is hard to escape the timelessness that the play offers us.

There were many reasons for the success of "Spoon River," when presented the 2nd, 3rd, and 5th of December. The actors worked sensitively and creatively. The music, mainly of folk origin and style, interspersed the speeches, weaving changing moods around the spoken words. Accompanied by the accomplished guitar playing and original music scores of Susan Flesch, Sherilyn Shapiro sang brilliantly, soothingly and plaintively.

The hard and competent work of student director Cheryl Kroot, and the crews also contributed to the award winning "Spoon River Anthology."

America Hurrah!

Spring Play

The spring play chosen by the Drama Department was Jean-Claude Von Stallie's biting look at America's problems— "America Hurrah!" The play was brilliantly conceived and directed by Mr. Squire Fridell and Craig Cramer— student director. The use of pantomime, choral readings, songs, and abrupt character changes was, to say the least, demanding on El Rancho's thespians.

Alma Martinez, Sharon Ethridge, Cheryl Kroot, Nancy Stearns, Morgan Ruddick, Jeff Juric, Glen Steorts, Tom Wick, Jeff Smiley, and Jack Hockett made up the fine, hard-working cast.

The show was greeted by sold-out houses for the 3 performances and was another "first" for the Ranch—being a high school premier of the Off-Broadway success.

Krazy World of Kids

The excitement of the evening fades, but the memories linger on—, and once again, Girls' League presented an outstanding Coed Capers show. It has come a long way in these eighteen years from the one afternoon performance in the cafeteria. Filling the gym to capacity for two nights, and giving approximately $1,000 in senior scholarships, is quite an accomplishment for us.

Featured in this year's Krazy World of Kids were twelve versatile groups, joined by the Itty Witty Biddies of the P.T.A. and the Faculty Frolics of the teachers which brought rounds of laughter.

P-P-Porky's P-P-Precocious P-P-Piggies were the delight of the Special Education children's classes on Wednesday afternoon and they gave them their Children's Choice Award. Student Director Chris Paschall announced that the group which had been voted most cooperative by the groups and the directors to receive the Sportsmanship Award was Jack and Jill's Jolly Jamboree. After working together for two months, this is probably one of the nicest compliments which can come to a group.

Playing an important part in the production were the lighting and stage crews, who have to suffer the trials and tribulations of experimentation on effects before the performances. Tying all of the skits together was the humorous story presented by the Continuity.

The judges gave the first place award to Hippopotamus? Whynotamus! While the Knickerbocker Knockouts captured second place. In a tie for third spot were the Screwy Scatterbrained Scarecrows and the Thilly Toothleth Tooth Fairyth. Climaxing their superb performances was the opportunity to perform for the patients in the Long Beach Veterans' Hospital the following week.

It was an exciting time, long to be remembered by many, especially those senior girls who had given three years to the show.

Basketball Belle

A very popular choice for Basketball Belle, Paula Matheson reigned this year over a court consisting of Alma Martinez, Peggy Ortiz, Debbie Riray, and Pam Rivera. Sharing the girls' big moment were their escorts Ron Flores, Carlos Martinez, Andrew Barbosa, George Esparza, and Art Miranda. Ten senior girls were nominated by members of the Varsity Basketball Team, and the field was narrowed to five by votes from the entire student body. Paula was given her crown by last year's winner, Dee Dee Grijalva.

Bank of America

Honoring seniors who have made outstanding scholastic achievement in specialized fields, the Bank of America awards are among the most coveted at El Rancho. Selections are made on the basis of achievement, citizenship, leadership, service, character and personality. Trophy winners compete with winners from other areas for cash prizes. Selections are made by teachers and counselors.

Donna of the Year

Senior girls who have been chosen as "Belle of the Month" during their sophomore, junior or senior year at El Rancho compete in June of their senior year for the coveted "Donna of the Year" title. Belles are selected by the Girls' League board on the basis of good grooming, school spirit and friendliness; therefore, the girl voted "Donna of the Year" represents the finest qualities to be found in coeds on the El Rancho campus.

Junior-Senior Prom

The unique Ports O'Call Restaurant, with its beautiful ocean view and old-fasioned paddle boat for dancing and listening pleasure, was the scene of this year's Junior-Senior Prom. The tropical setting and magnificent waterfront panorama made the evening one which will be long remembered. Souvenir pictures and programs will be kept as treasured mementos. Juniors and seniors alike gave much praise to the Prom Committee.

annual staff editors are hard at work.

Once upon a time several gorgeous, outstanding, and obviously super-bright babies were born. At their combined christening, all the good fairies arrived to make wonderful wishes for their health, wealth, and good fortune. "They will all be lucky enough to make annual staff!" said the first; "Their layouts will all be done ON TIME!" said the second; "Their pictures will not be fuzzy!" said the third; "Their group shots will all FIT THE PAGES they were meant for!" said another. On and on went the beautiful wishes from the beautiful fairies. However, lurking in the bushes was the ugly BAD fairy, who lept out and proclaimed, "Ha!Ha! (Cackle, Cackle)—but too bad for you-the layouts will be stolen the night before deadlines; the pictures will be THE WRONG SIZE; and everyone in the group shots will be people never before seen by ANYONE!". So goes life in Annual Staff——but we think the Por El Ano makes it all worth while.

Once again finding its way into the hearts of thousands, the staff of the El Rodeo typed its way to stardom for the 19th consecutive time.

They boasted a determined and capable editor, who also proved to be an outstanding editorial writer and columnist, Lenny Swierski became another El Rancho publication great.

Advised and coached by a former newspaperman, Rich Brown, the El Rodeo brought up controversial matters and helped the students at El Rancho understand them.

Deadlines were always a problem, but not for associate editor Robert Hill, who always met them well ahead of time, and led a sports crew that covered El Rancho's sports without a flaw.

Found in its remarkable B-101 headquarters, the El Rodeo Staff were always ready to use the tremendous facilities available there.

The Photo Club provided assistance to the staff with its occasional pictures, headed by Mr. Vandevier.

The Otis Chandler Chapter of Quill and Scroll once again sold football programs and planned the annual Publications Banquet. Advised by Mrs. Guila Hales and Mr. Brown, the Quill and Scroll had another successful year.

Serve With Pride

A newly formed club this year is the Dance club. This talented club puts out recitals for the entertainment of the student body throughout the year.

Don Beats is one of our larger clubs on campus, and surely one that has existed for many years at the Ranch. Their main purpose is to better Mexican-American relations among students of our school and community. Other projects include sponsoring the annual Career Day, and various money making activities.

Much of the credit for the great plays and shows put on throughout the year can be given to our Drama club. The plays that usually draw the most attention are the Fall and Spring productions. The success of each play previously presented are also discussed by the Drama Club members.

Elections are a vital part on our campus and couldn't be handled any better than by the elections committee. This club is responsible for collecting and counting ballots for all of El Rancho's elections.

Interests for All

The Future Business Leaders of America is a very active club. Each year an award is given to the member who is their most outstanding "Future Business Leader." Other activities include candy sales and car wash.

The El Rancho Forensic Club belongs to local, State; and National Forensic Leagues. They represent the school in various tournaments, competing in speaking and debating. They also sold cokes at all basketball home games.

The Future Secretaries of America is composed of girls especially interested in becoming secretaries someday in the business world.

The Future Teachers of America club studies effective teaching methods to prepare themselves for the teaching field. They also have a tutoring project.

The elected Girl's League is a very active organization on campus. Some of their highlights of the year are GL Formal Dance, Coed Capers, Christmas Stocking, and Cotton Day. Funds raised are used for scholarships in June.

The Gun & Rod club is basically for those who like hunting, fishing and outdoor trips. Several field trips are held each year.

The Library club keeps the paperback books in good order, and keeps the library in a neat and efficient way.

Students Work Together

The Internation Club is newly formed this year. It is composed of the Spanish, French and German clubs. They all meet as one group, and see films, discuss the different languages, and plan field trips.

For those interested in math, the Math Club is a very popular club on campus for them. It holds many interesting quizes and fun problems. The club travels to other schools for some of these contests.

The Pepsters Club is limited to yell leaders, flagsters, songleaders, and mascots. They meet to discuss and plan how they can help to better the pep and spirit of the students of El Rancho.

The purpose of the Radio Club is to encourage amateur radio operaters, and help them acquire amateur radio licenses. Many students build their own sending and receiving equipment.

Another newly formed club, Students Against Pollution, has a good attitude toward environmental preservation. Ecology is discussed at the meeting, and field trips are planned.

The Varsity Club is especially for boys who have lettered in al El Rancho Varsity Sport. They can commonly be spotted by their distinctive grey jackets, symbolizing membership. An annual awards banquet is sponsored by the club for Don athletics.

Without the advisers, there would be no clubs. Each club has an advisor who sits in on each meeting and offers constructive ideas. These people offer much assistance and contribute many hours to making the club successful. Their efforts are greatly appreciated.

El Rancho head mentor Marty McWhinney, now in his third year as ER varsity head coach, disucsses upcoming contest.

Succeeding a coach who created a lasting football dynasty at El Rancho, Don head mentor Marty McWhinney guided his Dons to their first unprecedented Moore League Crown, and assured ER of their twelfth straight CIF playoff appearance. In his second year as head coach after inheriting the job from one of the premier prep grid coaches in history, Ernie Johnson, Coach McWhinney directed the Dons to an unblemished 5-0 ML slate.

McWhinney, who played on the El Rancho 1960 CIF Southern Section championship squad, was assisted by another Ranch almunist, as Frank Mazzotta served as ER's defensive line coach. The remainder of the Dons varsity coaching staff consisted of Art Lopez, Don Peterson, and Steve Hartman.

Coach Hartman was in command of the defensive secondary unit, while Peterson acted as backfield coach for the squad. Lopez worked with the offensive linemen, as well as devoting much of his time to the Don JV team.

Reserve fullback Danny Almanza, drags his pursuer for yardage against Millikan.

Fullback, Mark Bailey, sprints around the end for a 78 yard gain against Poly.

One point victories over rated St. Paul and Lakewood highlighted a most productive pre-season and Moore League year, as the Dons emerged with a 9-0 record going into CIF playoff action.

The Ranch, coming into the ML after victories over 4 pre-league opponents, had a highly-rated Lakewood team to face in the league opener. After building up a 21-0 lead, the Lancers battled back to within 1 point, and as the final gun sounded, the Dons pulled out a 21-20 win, as well as an inside track in the tough ML race.

A 42-28 victory over another highly-regarded league opponent, LB Wilson, put ER on top of the ML heap, with only 3 lesser powers to play. The victory, the annual homecoming clash, gave the Dons a 6-0 overall slate. The Rams of Millikan were the Dons' next victim, as Don senior quarterback Duane Matthews passed for 170 yards to end Gary Grund. Also in the game, junior placekicker George Pantages snapped a CIF consecutive conversion mark, as the Dons smashed the Rams 42-0.

Mark Bailey lead the way for the final two ER wins, gaining 292 yards and scoring 5 touchdowns in the two games, as the Dons thrashed Long Beach Poly 41-7, and shut-out the Panthers of LB Jordan 49-0.

ER's two final ML victories gave the Ranch their first unprecedented crown, and assured the now top-rated Dons of their twelfth straight entry into the California Inter-Scholastic Federation, Southern Section, playoffs.

C.I.F. Playoffs

For the twelfth year in succession the Dons paid a visit to the CIF Playoffs, drawing an unheralded St. Francis ballclub in the first round of action.

The thirteenth seeded Knights went into the game as heavy underdogs to the number one ranked Dons. It took last minute heroics by linebacker Gus Menendez and middle guard Joel Larsen to pull out the game, as the Del Rey League champs scared the Dons 16-15.

For the second round the Dons were hosted by an Alton Hayes-led Santa Barbara club. Hayes, an all-CIF QB, ran into a fired up Don squad that promptly dealt SB a crushing 42-15 loss. Led by QB Duane Matthews and sophomore fullback Mark Bailey, the Dons piled up a 28-7 halftime lead and never looked back.

The Dons then ran into the all CIF pass catching combination of Pat Haden to John McKay in the semi-final round. The Bishop Amat squad knocked the Dons out of the playoff for the second straight year, 17-13.

Junior Varsity

Fielding many sophomores, El Rancho's Junior Varsity had another successful preseason slate of 4-0, but were defeated by three Moore League powers to end up at 6-3 overall, and place fourth in league.

The JV's came on strong at the season's opening, shutting out St. Paul 18-0, Whittier 54-0, Montebello 36-0, and allowing only a single touchdown to Warren, rolling over them 18-6.

The defense, led by tackles Jim Samaduroff and Robin Ross, and Middleguard Gilbert Halby, was the key to this year's team, continually spoiling the opponent's running game.

The Offense Squad, led by Junior quarterback Mickey Klutts, completely ridiculed defensive secondaries, and the running game, led by fullback Craig Furgeson who was a constant scoring threat, was the team's strong point. The JV's highlight was a 54-0 shutout over Whittier, the Don ground attack tearing through for 353 yards.

Moore League encounters included a 12-6 loss to Lakewood, and a 24-16 thrashing from Wilson. The JV's came back to upend Millikan 18-6, but were turned down by a strong Poly team 24-0.

The squad gained ML revenge, beating Jordon 49-0, but it wasn't enough. However, the JV's are anxiously awaiting a comeback next year.

Head coach Don Peterson and assistant coach Art Lopez are expecting an experienced JV squad for the 71-72 season, as this year's defeats were suffered because of inexperience. The reason for this setback was because many JV's were moved to the varsity spots during league.

Reserve QB Mickey Klutts runs around end while Craig Ferguson blocks.

Bees and Cees

The two El Rancho lightweight football squads have enjoyed fine seasons for years, and this season was no exception as the Bees posted a 6-3 overall slate, while the Cees ran up a 8-1 season record.

The Don Bees, coached by Lew Tetley and Reg Fielder, entered Moore League play with a record even at 2-2, but rapidly improved in league action, with their only loss for the remainder of the season to a Millikan team that went on to win the league crown. The highlight of the season proved to be the Lakewood contest as sophomore quarterback John Hiatt led the Dons past the Lancers, by scoring in the final period, 6-0.

The Don Cee team, playing as independents for the third straight year, were coached by Jack Davis and Jack Witherspoon.

Entering the year with a 13 game streak without a loss (stemming from over the two previous years), the Dons extended their unbeaten string to 21 games, before a 6-0 loss at the hands of Duarte in the seasons eighth game. Highlights of the season included a 38-0 rout over Chaffey, a 42-0 win over Tustin, and a 22-6 victory against Pasadena. QB Roland Stumon led the Dons to one of the best seasons ever for ER Cees, as the ER offense averaged over 25 tallies-per-game throughout the season.

Varsity Water Polo

The water polo team had a rebuilding year, as they started out the year with a rather inexperienced crew. Even with this handicap, the Don Poloists came through with some very impressive wins.

The varsity water finmen were paced by the scoring of John Nakashima, Mike Cederstrom and Gary Wilson.

Coach Hap Cole and assistant coach Gordon Oster, who swam at ER during his high school years and who was an All-American at Cal State at Long Beach, relied on the speed of the finmen rather than the experience.

The turning point of the year for the varsity finmen was the Jordan game, where the game ended in a tie, but went into overtime. Still tied after these two quarters, the finmen went into sudden death overtime, and the Don's Mike Cederstrom, swam it down to score the winning goal.

The defense was attributed to many saves by senior Chet Galland, and Steve Kessler, ER goalie, was always there to make the stop.

Coach Cole was impressed by the water poloists' efforts and is looking forward to next years' new squad.

Varsity Swimming

Highlighted by wins in their first five meets, the Don Varsity finmen enjoyed a 6-7 overall season, in 1971. With a big Moore League win as the climax of the campaign, Hap Cole's squad finished in the fourth spot in the perennially tough league. Chet Galland, a senior butterfly specialist, led the squad and was deemed as the team's Most Improved Swimmer. Galland also excelled in the backstroke and freestyle events. The team most valuable swimmer John Nakashima, who snapped Rick Potter's 1970 school backstroke mark, gave the most consistent performances in the individual medley.

Galland and Nakashima both qualified for the ML invitational.

Others who lettered on the varsity squad were Mike Cederstrom who was a senior freestylist, Dale Stepnicka and Cam Mac Lean who as juniors were also freestylists, and junior Dan Venable who as a junior, was the top man in the breast stroke event.

With four juniors in the starting line up, the 1971 varsity cagers emerged with the most productive record in their Moore League history, 4-6, good for fifth place in the conference.

A 92-79 upset over a highly touted Lakewood ballclub highlighted the season as Roger Lawson poured in 38 points in the win. The victory over the Lancers knocked them out of the ML race, as they were tied with Long Beach Wilson for the league lead at the time.

Victorys over LB Jordan and Poly also were bright spots on the season, one that saw The Dons emerge with a 9-15 overall record.

Norm Richards was the varsity squads leading scorer while Bob Mitre led in rebounding. Lawson was named as the team's MVP, while Paul Zude and John Chavez were the other starters.

The Don JV squad ended the year with a 10-8 slate, with the Bee's finishing 5-15 and the Cees 10-9. The JVs, Bees, and Cees finished 3rd, 6th, and 3rd in their divisions.

The Varsity wrestling team boasted ten returning lettermen that becomes one of the strongest teams in the C.I.F., and the finest in El Rancho's history.

The Dons held a 4-1 league record, and were 8-1 overall. The only loss was to Millikan by 3 points because of a last minute change in ER's weight classifications.

El Rancho was strong in every weight division, as Art Miranda, Captain Steve Larsen, Earl Canada, Jim Samaduroff, and Ben Hernandez all were undefeated in league.

Miranda, Samaduroff and Hernandez placed first in the Moore League, and went to C.I.F. Victor Picon and Mark Valenti took second places in the league finals! Grabbing third places were Ed Ybarra, Larsen, Canada, Diego Carrillo, and Steve Shannon.

Besides turning in an excellent regular season, the grapplers placed first in the La Serna tournament, and fourth in the Bolsa Grande tournament.

Coach Frank Mazzotta talks about up-coming meets with captains Bob Barba and Raul Lopez.

Faced with a rebuilding year in 1971, coach Frank Mazzotta's gymnasts lacked the depth to be a serious contender for the Moore League title.

The squad had top men in each event, but lost the close meets because of the lack of second and third place finishes. Seniors Bob Barba and Tony Torres on the rings, and Raul Lopez on the sidehorse led the Dons to a fourth place finish as the Dons tackled the tough ML schools, including Lakewood, Long Beach Wilson, and LB Millikan. Barba and Lopez served as co-captains on this years squad.

Promising young faces on the team included John Segura, who was the ER Top man on the parallel bars, John and Joe Hart who traded off as winners of the high bar event throughout the year and Dave Martin served as the Don all-around men Jerry Barnes and Richard Gleason, also juniors, who performed on the long horse.

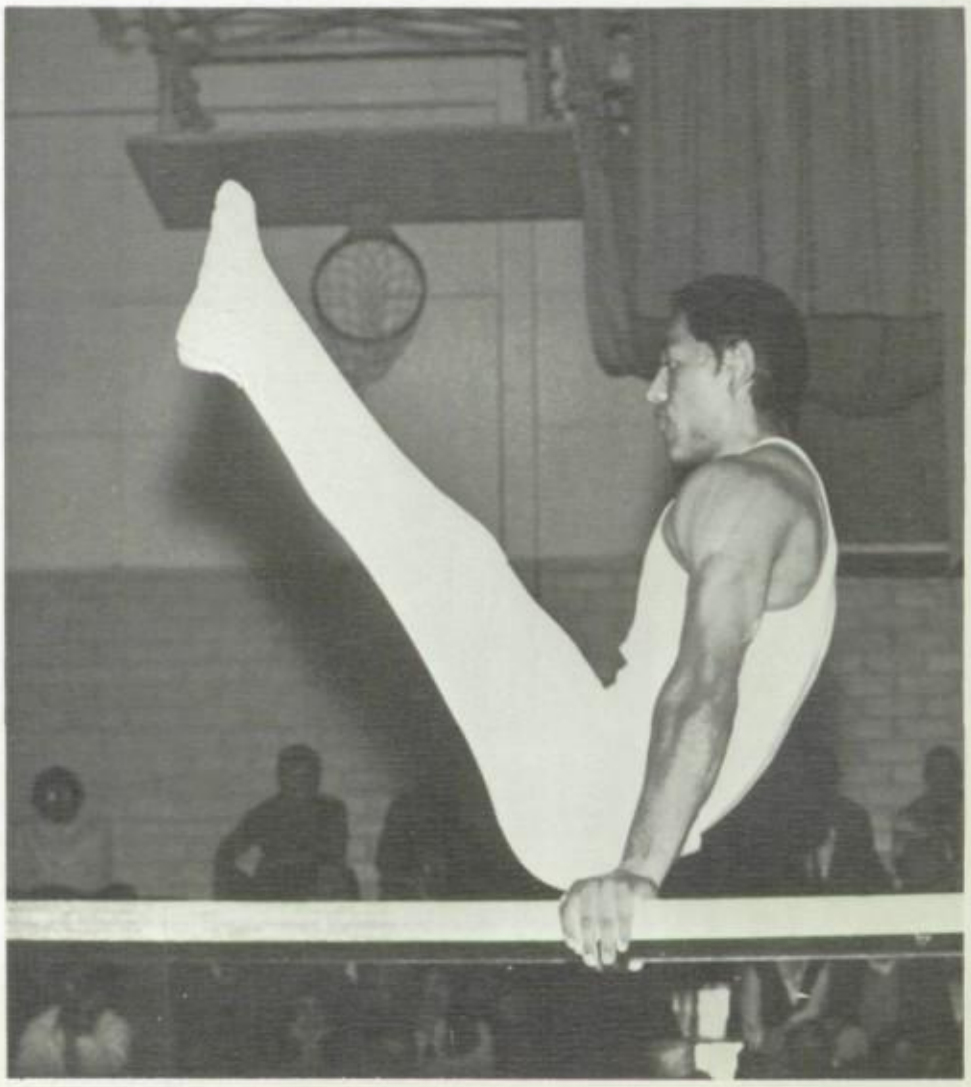
Westminister took second place, while South Hills came in third place. The Don gymnastic squad managed a seventh spot finish, taking fourth in both the parallel bars and the rings.

Bob Barba, senior ringman, placed fourth in the event; while junior John Segura received the honors on the P-bars.

Other Ranch competitors finishing high were Joe Hart on the high bar (seventh), Raul Lopez, on the side horse (sixth), Tony Torres on the rings (eighth), Mark Bailon parallel bars (eighth, and Dave Martin finishing sixth on the long horse.

The winning Lancers grabbed three first places, and a second, third and fourth in the six events to dominate the competition.

Millikan, who finished second in the Moore League to Lakewood, finished fourth in the invitational, and LB Wilson, also a ML school, finished tenth.



The El Rancho 1971 Varsity Gymnasts await their introduction.

Cross Country

The Cross Country team had one of the most successful years in El Rancho harrier history as they were defeated by only two teams, Whittier 29-27, and their initial Moore League foes, Lakewood 17-42.

The harriers finished 3-1 in preseason meets racing St. Paul 16-31, Warred 19-36, and Montebello 26-29.

Coach Duane Reidenbach's squad was optimistic about Moore League encounters, even after losing to Lakewood, and came through to record wins of 20-37 against Wilson, 24-35 over Millikan, 25-30 over Poly, and 16-47 against Jordan.

Taking second place in the Moore League, the Dons tried to gain a share of the league crown at the finals, in which all league schools participated.

Paced by Jim Evander, Robert Caldera, Rick Vick, and Oscar Vargas, the Dons jumped ahead early in the two mile run, and turned in strong performances, with ER men taking three of the top ten runners in the Moore League, the places going to Jim Evander, third at 10:07, and at fourth place was Robert Caldera, at 10:10, with Robert Vick at tenth place.

Also turning in very close finishes were Oscar Vasques, 12th place; Larry Lieras, 13th; and Art Perez, 15th.

C.I.F. Prelims . . .

For the first time in the school's history, the Don Cross Country team was entered into the CIF preliminary race.

El Rancho went into the prelims as a second place finisher, with Lakewood winning the league crown the previous week.

Coach Duane Reidenbach's harriers were turning in exceptional times, and it was not unusual that the Dons placed fifth out of 20 southland schools, which put them into the CIF finals.

On a rain-soaked Cal State Long Beach course, the El Rancho Cross Country team ran to a tenth place finish in the CIF finals. Junior harrier Robert Caldera turned in a time of 10:04, his second best run of the year on the CSLB course.

Jim Evander, a senior letterman, also placed high in the individual competition, with Robert Vick, Oscar Vargas, Art Perez, and sophomore Larry Lieras placing in the event.

Caldera was voted most valuable player honors by his teammates, with most improved player going to Lieras. Receiving All-Moore league honors were Caldera and Evander, who placed 4th and 5th in the ML Finals, respectively.

Coach Duane Reidenbach's varsity track and field squad added a new dimension that was lacking in their previous two Moore League seasons, depth. As well as having a top notch man in each event as before, the Dons rounded out the squad with spikers good for second and third place finishes.

As a result, the Dons emerged with one of their best records ever at the Ranch. Steve Hartman and Mike Larson added their coaching specialities to the staff, aiding the shot putters and the long and high jumpers.

Joel Larson began where he left off in his junior campaign, repeatedly placing first in both the 120 and 180 hurdle events. Junior Mark Malone bolstered the hurdle strength, running a close second to Larson. Perry Wilkes showed strong performances at the shot put, and Robert Caldera, a junior, ran some of the best mile times in the school's history. Sophomore sprinter Mark Bailey also scored repeated victories in the 100 and 220 yard dashes revealing promise in the upcoming seasons for the varsity tracksters.

The Varsity Golfers experienced another rewarding season, as they finished pre-season play going undefeated.

Hoever, Coach Joe Osterman's squad could not do as well in the Moore League, where they had an average season.

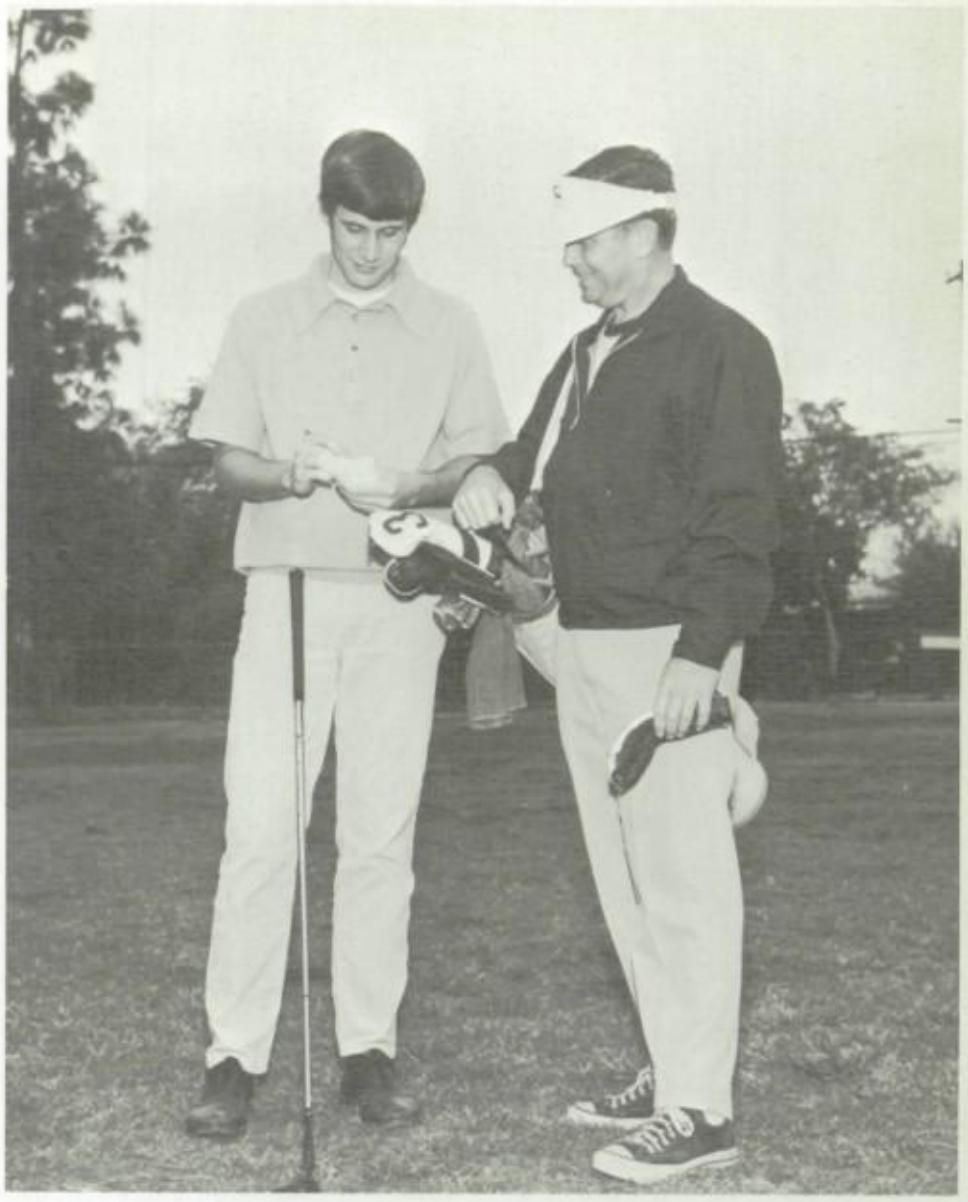
The Duffers were shooting good golf, their scores averaging around the middle 70's. But most of the Moore League schools were averaging in the high 60's.

The main problem of the linksmen seemed to be their inconsistency in all phases of the game. This only was a problem when league play arrived, where they were not as able to compete as well.

The top performers for El Rancho were Jeff Cater, who was closely pressed by Dan Teran, Steve Doorlag, and Mike Samaniego.

The golfers were comprised mostly of seniors, and played well on the home course, which was the Whittier Narrows. Most of the Long Beach courses gave them a few problems, however.

Rounding out the JV squad, which had few good prospects for the '71 season were Reggie Burr and Steve Silva, whose good points were driving. Also, Randy Strand looked well in chipping, and Al Frias in putting.



Captain Jeff Cater discusses his score with Coach Joe Osterman.

The Varsity Tennis team, with Ray Ogas once again coaching, experienced one of its more successful years, and finished pre-season play with a win-loss record of 3-2.

The netmen also experienced a good Moore League season, but ran into problems with the usually tough Wilson and Poly. These two teams had the experience, an area in which El Rancho was lacking.

Overall, however, the Dons came through with one of their best-rounded tennis teams, and made up for the lack of experience with more balance, and more depth than in recent years.

Roger Nakano, Glenn Stebens, and Rudy Holguin proved to be the fast men for El Rancho in the singles matches, and were probably the team's greatest asset.

In the doubles division, where the racketmen experienceed some weakness, Steve Fessler and Bill Samarin performed well together, and were considered very able-bodied contenders.

The Don Varsity netmen also competed in the Long Beach City College Individuals Tournament, where several El Rancho players showed their skill.

The JV's also performed well in the '71 season, where John Dea and Don Monte proved to be interesting prospects for the varsity.

This year's El Rancho varsity baseball team proved to be one of great diversity, as Jack Witherspoon took over as varsity coach.

Boasting only five returning letterman, the varsity nine swept through their pre-season schedule going undefeated. They also fared well in the Moore League, which held the 1970 season CIF champions, Lakewood High.

Senior Larry Anderson pitched for the Dons most of the season. He, along with reserve pitchers Gilbert Molina and Joe Willis, combined to average eight strikeouts per game in pre-season.

The Dons lacked experience, as the team was comprised mostly of juniors, but El Rancho made up for it in the hitting department.

Fernando Rayes looked very impressive the first few games, where he averaged .500 in batting. An operation benched Rayes until league play, however.

Another boost to the hitting was junior Mickey Klutts, who frequently came through with the big hit.

Duane Matthews returned as catcher for the Dons, where he was consistent in both calling good pitches and getting the base hit.

The JV's, coached by Don Peterson, also turned out a good season, although plagued by errors early in the year.

First year coach, Lou Tetley, lead the spirited sophomore team.

Field Hockey

This year, the Girls' Atheletic Association has added a new sport to their after-school events. Field hockey has been taught in PE to the junior and senior girls, but six weeks is hardly enough time to learn a sport. Now girls have the opportunity to play hockey more often and can become better acquainted with the rules, and more experienced in the game.

This year, swimming was offered in the spring. Girls who went out for it had a ball while getting exercise and refreshment in the meantime. After a hard day of studies they cooled off in the pool. They practiced and perfected strokes they already knew, and commenced to learn more difficult ones. After weeks of hard concentration and effort, they were ready to enter into swim meets with other schools. This centered all their effort on one goal and the girls tried really hard and did their best.

This year has been the most successful year Girls' Athletic Association has ever had. Even though we have had a split season, this year, we have had a great turn out, and the girls have been very enthusiastic.

The variety of sports that have been offered, this year, are advanced and beginning tennis, basketball, softball, volleyball, and swimming. We have added a new sport, this year, which is field hockey. A lot has been accomplished through the year. We have had fun nights and play days, and are selling sweaters.

There are several prime ingredients for the proper presentation of your POR EL ANO, and we knew you just couldn't wait to find out what they are: 1) you must have an adviser who is completely impervious to noise, Indian wrestling in the staff room, and nervous rashes (of course, locking herself in her office with her earmuffs on has been a great help!); 2) you must have an editor—or, all right, have two editors—who are not subject to tears, hysteria or catatonic seizures when things don't go well! 3) you must have a staff that is really talented. (Tap dancing on the table-tops, singing X-rated limericks and flag-twirling routines are marvy—but it also helps if they can write!); 4) you must have photographers who know how to come though when you ask for a 3 X 5 print and, by George!, they bring you a 3 X 5 print! Amazing!!!! 5) you must have "Team Spirit"! (Hair pulling, spitting and eye-gouging during moments of stress are OUT, you guys—O U T! 6) you must have a desire to meet deadlines so that the annual does not arrive in the middle of August—not that there's anything wrong with August, but who's around to sign it then?

Most seriously, this has been a great year! This annual staff group has been the best ever—we've had fun even though there was plenty of work. Mrs. Hales is Perfect (capital "P") as an adviser, American Yearbook and John Thomas were wonderful and Watson Studios were too. What more can I say except, "Thanks" and please enjoy your annual as much as we did!

Kathryn Fetty

When you have to wait two, long, immeasurably exciting years for something you've been dreaming about for three years, the mere factor of time can be a pretty awful thing. But somehow, I survived it all. My dream was the Co-Editorship of the POR EL ANO.

The year dawned; I started it with a limitless supply of enthusiasm, energy, and the hope that the year would last forever. But with the unfailing predictability that time has of passing, time did pass. And then chaos hit B-101; deadline time was here, a million things had to be done at once, and all those able to type couldn't find an operable typewriter. But with the faith we had in being able to work things out, we did. We all just smiled, yelled very loud, and set back to our tasks.

There are the days never to be forgotten. No sooner did we recuperate from a non-stop week and realize there was NOTHING to do, did another deadline hit. The weekend we had been living for, so we could peacefully collapse from exhaustion, we found ourselves reading copy in the Annual Office (Oh well, I wasn't tired anyway). Then the dreaded time came, we had to compile the index, and only had two weeks to do it in. Throughout the room we heard someone muttering the alphabet and we wondered if there wasn't an easier way. But there wasn't.

But now the year is gone, and despite all the work and sacrifice, it's all worth it. We've given our all for something that can make others happy. And that's a very heart-warming reward.

Lorraine Nares.

Marcella,

Well its a close of another year. Do you know what that means? Nothing absolutely nothing. Well may be not for you now that you made Historian I guess you will be a very busy bee, won't you. And then I envy making drill team I guess you'll both be doing super things. Well enough of that. Oh just one thing more, I hope you don't get stuck up like some people I know. And now there comes the summer. and what is going to happen something I hope. But, when I get my license something is going to happen. And I do mean something. It wasn't much fun, because I didn't have as many laughs as it did last year. But next year I hope we get classes together next year, so we can make it a really memorable year. Well maybe we'll get lucky this summer and meet a couple of really groovy guys who-knows. No but I hope you have a really great summer, and I hope you make the most of it because it may the last one you have in a long time. I hope you have a (miserable) time being historian not really. I know next years G.A.A. games will fun because you will have planned them. And next year have more confidence in yourself, because you'll be making alot of decisions. So until next year. Take care, and come back safe.

A friend always,

Diana Cruz

Marcella,
It's been nice getting to know you this year in social psychology. I want to wish you a happiness all your life and may God bless you always.
